Welcome to our party,
We're delighted that you've come.
You're the flowers of our garden
And future seeds for some.

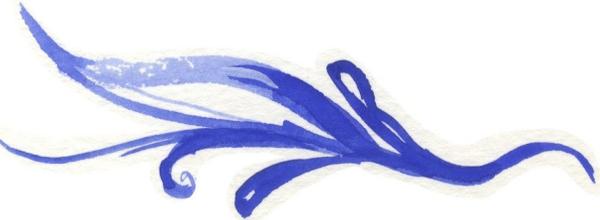

You've scattered seeds of kindness
And given a helping hand,
With proper care and guidance
They shall blossom into plans.

Each one of us holds greatness
And like the seeds we sow,
We need the help of others
To have a chance to grow.

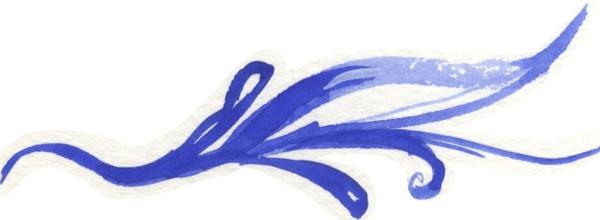

As we celebrate this moment,
This cycle is clear to see,
It starts and ends with giving,
For dreams and hopes to be.

We thank you!
