## Spring Fling 2025

#### Welcome!

The members of Soroptimist International of St. Lucie want to welcome you and thank you for attending our Spring Fling 2025. You are our friends and family that hear us speak about the wonderful things we are involved with throughout the year. This event is where it all comes together. We appreciate you and your support.

The funds raised will allow us to:

- Provide financial aid to local women serving as head of household, to begin or continue their education as a steppingstone to a better life through our "Live your Dream" program.
- Offer a mentoring program for local girls in middle school to help them with tools to live their dreams through our "Dream It, Be It" program.
- Team with local schools and their teachers to aid in the needs of the children.

In Gratitude, Members of Soroptimist International of St. Lucie

Welcome

Our focus is on education because educated women and girls are:

- less vulnerable to sex traffickers
- more likely to leave a domestic violence situation and not return
- able to access healthcare
- less likely to live in poverty
