Spring Fling 2026

Welcome!

Soroptimist International of St. Lucie extends its sincere appreciation to all attendees of Spring Fling 2026. You're valued as friends, family, and supporters. We recognize the important role you play in our ongoing activities throughout the year. This event brings together our collective efforts, and we are grateful for your continued encouragement and support.

The funds raised will allow us to:

- ◆ Provide financial aid to local women serving as head of household, to begin or continue their education as a steppingstone to a better life through our "Live your Dream" program.
- ◆ Offer a mentoring program for local girls in middle school to help them with tools to live their dreams through our "Dream It, Be It" program.
- ◆ Team with local schools and their teachers to aid in the needs of the children.

In Gratitude,
Members of Soroptimist International of St. Lucie

Our focus is on education because educated women and girls are:

- less vulnerable to sex traffickers
- more likely to leave a domestic violence situation and not return
- able to access healthcare
- less likely to live in poverty

Through education and access to role models, girls will be empowered to pursue their career goals and reach their full potential.

Dream It, Be It targets girls in secondary school who face obstacles to their future success. It provides girls with access to professional role models, career education and resources to live their dreams.

The topics covered include career opportunities, setting and achieving goals, overcoming obstacles to success, and how to move forward after setbacks or failures

SI St. Lucie wants to Thank The Boys & Girls Club of St. Lucie County for their partnership

This year, SI St. Lucie partnered with The Boys & Girls Club of St. Lucie County to successfully present the “Dream It, Be It” program to a group of high school girls. The participants were engaged, and their evaluations indicated that the program had a positive and empowering impact on their outlook for the future.

We have been invited to return in the fall to conduct monthly sessions with the girls and are pleased to contribute positively to our community.
